Distinctions in Biochemistry and Pathology at the M.B.B.S. Examinations, 1984 - 1986

‘First Medical Scholarship’ by Pfizer (India), for undergraduate medical studies at the Seth G.S. Medical College, Bombay, 1983

‘Narayan Dhume Prize’ awarded to the top four candidates securing admission to the Seth G.S. Medical College, Bombay, 1983

**PRESENTATIONS**

Salvage of Distal Tibia Metaphyseal Nonunions with the 90-degree Cannulated Humeral Blade Plate. Chin KR, Nagarkatti DG, Miranda MA, Santoro VM, Baumgaertner MR, Jupiter JB. Poster Presentation at the AAOS 69<sup>th</sup> Annual Meeting, Dallas, Texas, February 2002

Orthopaedic Manifestations in Children with Cervical Myelomeningocele (CMMC). Nagarkatti DG, Stone N, Dias L, Thomson JD. Presentation at AACPDM meeting Long Beach, California, September 2001

Alternative Use of the Synthes Humeral Blade - Plate for Tibial Nonunion, Malunion and Ankle Fusion. Nagarkatti DG, Chin KR, Miranda MA, Santoro VM, Alvarez JP, Baumgaertner MR, Jupiter JB. Presentation at the annual OTA/AST meeting San Antonio, Texas, October 2000

Cortical Bone Disk Anchor in Free Tendon ACL Reconstruction: Effect of Cyclical Loading. Nagarkatti DG, Tarinelli D, Nissen CW, Fulkerson JP. Presentation at the 19<sup>th</sup> Annual AANA meeting, Miami, April 2000

A New Method of Fixation for Olecranon Fractures: Biomechanical Comparative Analysis with the Tension-Band Technique. Nagarkatti DG, Kobayashi K, Tarinelli D, Santoro VM. Presentation at the 33<sup>rd</sup> AOA Annual Residents' Conference, St. Louis, February 2000

A Preliminary Experience with the Long Gamma Nail for High-Energy Proximal Femoral Fractures. Nagarkatti DG, Alberta F, Miranda MA, Santoro VM, Browner BD. Presentation at the 33<sup>rd</sup> AOA Annual Residents' Conference, St. Louis, February 2000

"Cortical Bone Disk Anchor" in Quadriceps Tendon ACL Reconstruction. Nagarkatti DG, Tarinelli D, Nissen CW, Fulkerson JP. Presentation at the 33<sup>rd</sup> AOA Annual Residents' Conference, St. Louis, February 2000

Bioabsorbable Screw Fixation in Free Tendon ACL Reconstruction: Effect of Cyclical Loading. Nagarkatti DG, Tarinelli D, Nissen CW, Fulkerson JP. Senior Year Research Project at University of Connecticut Biomechanics Laboratory. Presentation at the Department of Orthopaedics Resident Graduation June 18, 1999

Tension Band Plate Fixation for Olecranon Fractures: Comparative Analysis with other Techniques. Nagarkatti DG, Kobayashi K, Tarinelli D, Nissen CW, Caputo AE, Santoro VM. Senior Year Research Project at University of Connecticut Biomechanics Laboratory. Presentation at the Department of Orthopaedics Resident Graduation June 18, 1999

Not all rods are Harrington - A Study of fixation methods in Scoliosis. Nagarkatti DG, Mohaideen A, Banta JV, Foley C. Presentation at the Annual Paediatric Orthopaedic Resident Paper Meeting December 1998

Charcot Arthropathy in Spina Bifida - A Study. Nagarkatti DG, Banta JV, Thomson JD. Presentation at the November 1998 New England Annual Orthopaedic Meeting, Boston

Charcot Arthropathy in Spina Bifida - A Study. Nagarkatti DG, Banta JV, Thomson JD. Presentation at the 36th Paediatric Orthopaedic Surgery Alumni Day, Newington Department of Orthopaedics, Connecticut

Late haematogenous infection in Charnley LFA's - A study. Nagarkatti DG, Older J. Presentation at the South West Thames Regional Orthopaedic Conference 1996, United Kingdom

Ultrasonography - In early detection of STS recurrence - A study of 50 cases. Nagarkatti DG, Bhat S, Shinde SR. Presentation at the Hong Kong Cancer Congress 1995

Cost Effective Chemotherapy for Osteosarcoma. Nadkarni KS, Nagarkatti DG, Shinde SR. Presentation at the Hong Kong Cancer Congress 1995

Tikhoff-Linberg Procedure - A limb salvage technique. Nagarkatti DG, Badhwar R. Presentation at the Western India Orthopaedic Conference 1994, Bombay

Brachytherapy for Soft Tissue Sarcomas. Nagarkatti DG, Badhwar R, Chaudhary AJ. Presentation at SICOT 1994, Bombay

Internal Hemipelvectomy. R.Badhwar, Nagarkatti DG. Presentation at the XVI UICC 1994, New Delhi

Tikhoff-Linberg Procedure. Nagarkatti DG, R.Badhwar. Presentation at the XVI UICC 1994, New Delhi

## **PUBLICATIONS**

Unusual Disorders - Chapter for 'Hip Disorders in Childhood' : 238-259, Editors J.V. Banta, D. Scrutton 2003. Mac Keith Publication.

Salvage of Distal Tibia Metaphyseal Nonunions with the 90-degree Cannulated Blade Plate. Chin KR, Nagarkatti DG, Miranda MA, Santoro VM, Baumgaertner MR, Jupiter JB. Clin Orthop Apr;(409):241-9, 2003

Mechanical Evaluation of a Soft-Tissue Interference Screw in Free Tendon ACL Graft Fixation. Nagarkatti DG, McKeon BP, Donahue BJ, Fulkerson JP. Am. J of Sports Medicine Vol.29, No. 1:67-71, 2001.

Soft Tissue Sarcomas: Ultrasonographic evaluation of Local Recurrence. Arya S, Nagarkatti DG, Dudhat SB, Nadkarni KS, Joshi MS, Shinde SR. Clin Radiol 2000 Mar; 55(3): 193 -197.

'Not all rods are Harrington – An overview of spinal instrumentation in scoliosis treatment. Mohaideen A, Nagarkatti DG, Banta JV, Foley C. Pediatr Radiol (2000) 30: 110 -118.

Charcot Arthropathy in Spina Bifida. Nagarkatti DG, Banta JV, Thomson JD. J Pediatr Orthop, Vol 20 (1) 2000:82-87.

Cost Effective Treatment of Osteogenic Sarcoma of the Extremities. Nadkarni KS, Shinde SR, Bavadekar AV, Nagarkatti DG. Indian Journal of Cancer Vol.32: June 1995; 77-80.

Rotationplasty - For tumours of the lower end of femur. R.Badhwar, D.Nagarkatti, M.Agarwal. Clinical Orthopaedics, India. No.9: September 1994;106-113.

Internal Hemipelvectomy. R.Badhwar, M.Agarwal, D.Nagarkatti. Clinical Orthopaedics, India. No.9: September 1994;125-130.

Tikhoff-Linberg Procedure - A limb salvage surgery. R.Badhwar, D.Nagarkatti. Clinical Orthopaedics, India. No.9: September 1994; 119-124.

## **PROFESSIONAL SOCIETIES**

Member, Connecticut Orthopaedic Society

Fellow, American Academy of Orthopaedic Surgeons

Alumnus - University of Connecticut Orthopaedic Surgery

Life Member, Indian Orthopaedic Association

Life Member, Bombay Orthopaedic Association
